Ebner Trophy 2008

To celebrate its 60-year anniversary EBNER-Industriefenbau organizes the EBNER Trophy photography competition. The competition theme is: "Metal dreams". As a globally active specialist for heat treatment facilities in the steel, aluminum and copper alloy industries, Ebner expects entries to the competition to provide a creative reflection of metal as a material in its various forms and appearances. From industrial raw materials to consumer products in everyday use - your photographic work can be based on anything to do with metal. The competition ..read more
