Focus on

CiAI and the Giffoni Film Festival

CiAI, Italian association for the recovery and recycling of aluminium packaging, is partner this year too of the Giffoni Film Festival (Giffoni Valle Piana, July 18th through 26th, 2008). CiAI participates to this Festival through different initiatives dedicated to the protection of the environment and particularly to the recycling of aluminium. Ciclo&Ricciclo - Alu Movies On July 25th, the Cinema Valle will be the venue of the Alu Movies prizegiving, competition awarding two schools, addressing the students of the primary and secondary schools and aimed at promoting the preparation of a storyboard telling a simple and effective story so that the youths will communicate to their agemates the importance of the environmental values necessary for a correct recyclable-waste collection, especially for aluminium. CiAI's Award for the Environment For the fourth straight year, the Festival jury ..read more

Contract in Dubai for Bruno Prezezzi

Bruno Prezezzi SpA based in Burago Molgora (Milano, Italy) has signed a contract with the Al Hamad Group of Dubai for the supply of engineering, construction, delivery and commissioning of a complete plant to be dedicated to the production of aluminium strip. The new greenfield project is Alumilltech Gulf and, after entering into full production in 2009, one of its main targets is to increase the production capacity in the following 2-3 years. These further steps will therefore allow the company growth in the Gulf booming area. The scope of supply ..read more

Alcoa wins Global Innovation Award

Alcoa is the recipient of a Global Innovation Award from Nissan Motor Company for its proprietary vacuum die casting process (AVDC) and new, advanced alloys used on the GT-R, Nissan's new flagship, high-performance sports sedan. The award was presented at the Nissan Global ..read more
