The transport world gathers at Alumotive 2009

Universities, associations, research centres and leading companies in the transport industry will all be protagonists of the rich programme of siding events offered by the Alumotive exhibition. For two days, April 2nd and 3rd, the Garda Exhibition Centre in Montichiari will be the venue for famed names of the academic, institutional and corporate world, in order to discuss the sector topics and most recent technological developments. Works start on Thursday 2nd at 9.30 am with the well awaited session dedicated to Nautical, where the participation of renowned speakers, such as Andrea Rottigni and Antonio Marrai of Luna Rossa, will be introduced by Andrea Brambilla, from the prestigious magazine Yachts&Sail. In parallel there will be the session Coatings, Finishes, Aluminium Surface Treatment, coordinated by AIFM, and Foundry and HPDC, in association with Assofond. Space will also be dedicated
